Dear Mr. Brooks,

We are, once again, very excited to announce that the School of Architecture at the University of North Carolina Charlotte has awarded the AIA Eastern Scholarship to an outstanding graduate student:

Samantha Hubbard in the amount of \$1,500

Scholarship support continues to be paramount to our student success. We truly appreciate your generosity and your support of our students in the School of Architecture

Recent accomplishments in the SoA include a full six-year reaccreditation of our Bachelor of Architecture and Master of Architecture professional degree programs, a new post-professional Master of Urban Design program, increased student scholarships, faculty research support, publications, international programming, and new facilities at UNC_Charlotte's Center City Building.

We plan to host a scholarship reception for our scholarship donors and recipients near the end of spring term. More information will follow in the upcoming months.

Thank you again for your generous support. Together, we're moving forward!

Sincerely,

Christopher Jarrett
